

Sec 1 CCA Orientation

Briefing

What are CCAs for?

Our CCAs aim to develop the students' potential outside of the academic field in the following ways:

- Provide for physical, social and mental development
- Cultivate desirable values and attitudes
- Inculcate a sense of belonging in school
- Provide opportunities for the development of leadership skills and competencies.
- Cultivate lifelong interests and skills
- Develop healthy lifestyles

How many CCA sessions are there per week?

- Depending on the CCA selected, the no. of days range from 1 to 3 days.
- The number of days are carefully calibrated to allow enough time for the students to learn their skills well.
- Do keep in mind that your CCA should be selected based on your interests, rather than purely on the number of days.
- Interest more important than more/lesser days.

Every student must
participate in at least one
CCA in the school
throughout the student's 4
or 5-year stay in the
school.

Exceptions

- National Youth Sports Team
- Strategic Partnership (Ethnic Dance)- Offered directly by MOE

Please approach Mr Chan directly if you qualify or are interested.

Benefits of staying in your CCA (same CCA)

Continuation of the skills and friendships that you have developed.

Additional recognition through CCA points. (Participation)

Attain Bonus Points for your post-secondary education.

CCA Bonus points

Excellent = 2 bonus points

Good = 1 bonus point

Fair = 0 bonus points

How can these bonus points be used?

Hit qualifying mark for the type of institution or programme first, then used to differentiate applicants

For example, you want to get into a course in ITE, Poly or JC that has a cut-off of 15 points.

You scored 15 for your 'N' or 'O' Levels - **The lower the better.** **Similar to your ALs**

If you have an 'Excellent' for your LEAPS, you can make use of your 2 bonus points. You end up with 13, instead of 15.

- Good = 1 bonus point

75% of students get 2 Bonus points.

Students in UGs, Sports and Performing Arts are more likely to gain 2 bonus points

What do we need to achieve/do to get these 2 bonus points?

Refer to your student e-handbook. (pg 32-34)

Mr Chan will do a briefing for the level later in the year.

Short summary: Attend all CCA sessions, contribute to your CCAs, participate in competitions, do your best

Challenges

CCAs will take up your time, CCAs will be challenging. **But very enriching.**

Adopt a Growth Mindset. Do your best. Stick at it.

Some of you may experience new activities, failure, difficulties.

Nothing worthwhile ever comes easy. Anything that is easy, is not worthwhile.
