

CCA Orientation Briefing 2025 (Parents)

What are CCAs for?

Our CCAs aim to develop the students' potential outside of the academic field in the following ways:

- Provide for physical, social and mental development
- Cultivate desirable values and attitudes
- Inculcate a sense of belonging in school
- Provide opportunities for the development of leadership skills and competencies.
- Cultivate lifelong interests and skills
- Develop healthy lifestyles

How many CCA sessions are there per week?

- Depending on the CCA selected, the no. of days range from 1 to 3 days.
- The number of days are carefully calibrated to allow enough time for the students to learn their skills well.
- Do keep in mind that your daughter's CCA should be selected based on your daughter's interests, rather than purely on the number of days.
- Interest more important than lesser days.

Every student must
participate in **at least one**
school-based CCA
throughout the student's **4**
or 5-year stay in the
school.

Challenges

CCAs will take up some of their time.

It is a good opportunity to learn time management skills, as well as learning how to prioritise the things that need to be done.

CCAs will be challenging for them.

A great chance to develop a Growth Mindset. Encourage them to do their best and persevere on.

Some may experience new activities, failure, difficulties.

Nothing worthwhile ever comes easy. Anything that is easy, is not worthwhile.

75% of students achieve an Excellent Grade and 2 Bonus points,

Students in UGs, Sports and Performing Arts are more likely to gain 2 bonus points

What do they need to achieve these 2 bonus points?

Refer to the student e-handbook.

I will do a briefing for the level later in the year.

Short summary: Attend all CCA sessions, contribute to their CCAs, participate in competitions, do their best

How can these bonus points be used?

Hit qualifying mark for the type of institution or programme first, then used to differentiate applicants

For example, your daughter would like to get into a course in ITE, Poly or JC that has a cut-off of 15 points.

She scores 15 for your 'N' or 'O' Levels - **The lower the better.** **Similar to the ALs**

If she achieves an 'Excellent' for her LEAPS, she can make use of her 2 bonus points. She ends up with 13, instead of 15.

- Good = 1 bonus point

LEAPS 2.0 recognises students' experiential learning and attainment in the 4 domains of the co-curriculum.

It is not confined to just their CCA experiences/contributions.

4 domains under LEAPS2.0

1. Leadership
2. Achievement
3. Participation
4. Service

Why is it called LEAPS then?

Enrichment had been taken out.

Submission of 6 CCA Choices

Things to take note of when making CCA Choices:

- She must attend the necessary trials / auditions.
- Look at the [Trials Results](#) before she makes her choices. Confirmed Offer vs Waiting List. If she is NOT on these lists, it is unlikely that she will be allocated to that CCA.
- Choose **6 different choices**. Those with less than 6 different choices will be allocated last.
- Choose the CCAs that she will be **staying in for 4 or 5 years**. It should be an activity that she knows she will enjoy.

Frequently Asked Questions

What if my child/ward is a DSA student?

She will not need to submit your 6 choices, but still attend the CCA Orientation to understand her classmates' CCAs. An opportunity for her to try something new too.

Do we need to attend both days of trials/auditions?

Students only need to attend either one of the trials/auditions.

Any questions?
